

Features

Executive styling with full 1½" thick tops and fluted edge detail
Black 'shadow' strip below tops on all components except in EZ, which comes with Titanium 'highlight' strip
420 components and 20 finishes to choose from
Solid finish, woodgrains or two-tone combinations available
Leveling glides on all floor components

Materials

Tops are 1½" thick
Gables are 1" thick
Modesty panels, doors and drawer fronts are ¾" thick
All are thermally fused laminate on a 45lb industrial particle board core

Edge Detail

600 Series exposed edges are finished in a matching, 3mm PVC for a tough, durable edge
All tops have a fluted profile as standard

Drawers

All drawers are 5 piece construction with ½" black vinyl board
All drawers and cabinet doors (except hutch doors) have handles
Box drawers mounted on full extension ball bearing slides, 100lb. load rating
File and lateral file drawers mounted on 2 tier, progressive, full extension slides with a 150lb. load rating
Each file drawer features side rails that accommodate front-to-back letter and side to side legal sized hanging folders
One pencil tray included with every box drawer unit

Modesty Panels

Full, flush modesty panels are standard on all Corner Modules and Connector Tops
Recessed modesty panels available on request
½ and ¾ modesty panels available on request
Assembled and RTA desks have recessed modesty panels
Bowed modesty panels and pedestal extensions available on selected models

Locks

Core removable locks are standard on all drawer pedestals, lateral files and storage cabinets

Handles

See our 100 Series Accessories page for a full selection of handles

As with all Heartwood furniture, we offer an extensive selection of accessories aimed at maximizing comfort and productivity. However we still recommend you stretch and take regular breaks to help prevent overuse injuries.

SIX HUNDRED
series

manufacturing ltd + office furniture
CUSTOM OFFICE FURNITURE | CUSTOMER FRIENDLY PRICES

The 600 series was originally designed with the executive office in mind, however with our work environment constantly evolving and the walls between 'them and us' being pulled down, the 600 series

offers seemingly endless options to suit any purpose; from single desks to managerial offices, open plan workstations to reception settings.

The 600 series - the corner stone of Heartwood's product offerings. Designed to provide an array of options that will furnish your workplace with the **attention to detail** it deserves.

U Shaped Reception Desk, Hutch & Storage Cabinet with Frosted Glass Aluminum Doors

Evening Zen

Additional Components:

Lateral File/Cabinet Storage & Frosted Glass Aluminum Doors

Box/Box/File Pedestal

Hutch with Frosted Glass Aluminum Doors

600 Series

www.heartwood.ca

Bowed desk tops and curved modesty panels command attention, while the fluted edge detail and stylish handle options create an elegant feel.

Exclusive to the 600 Series is the 1 1/2" thick work surface which takes on a much more impressive role; combining substance with **classic styling.**

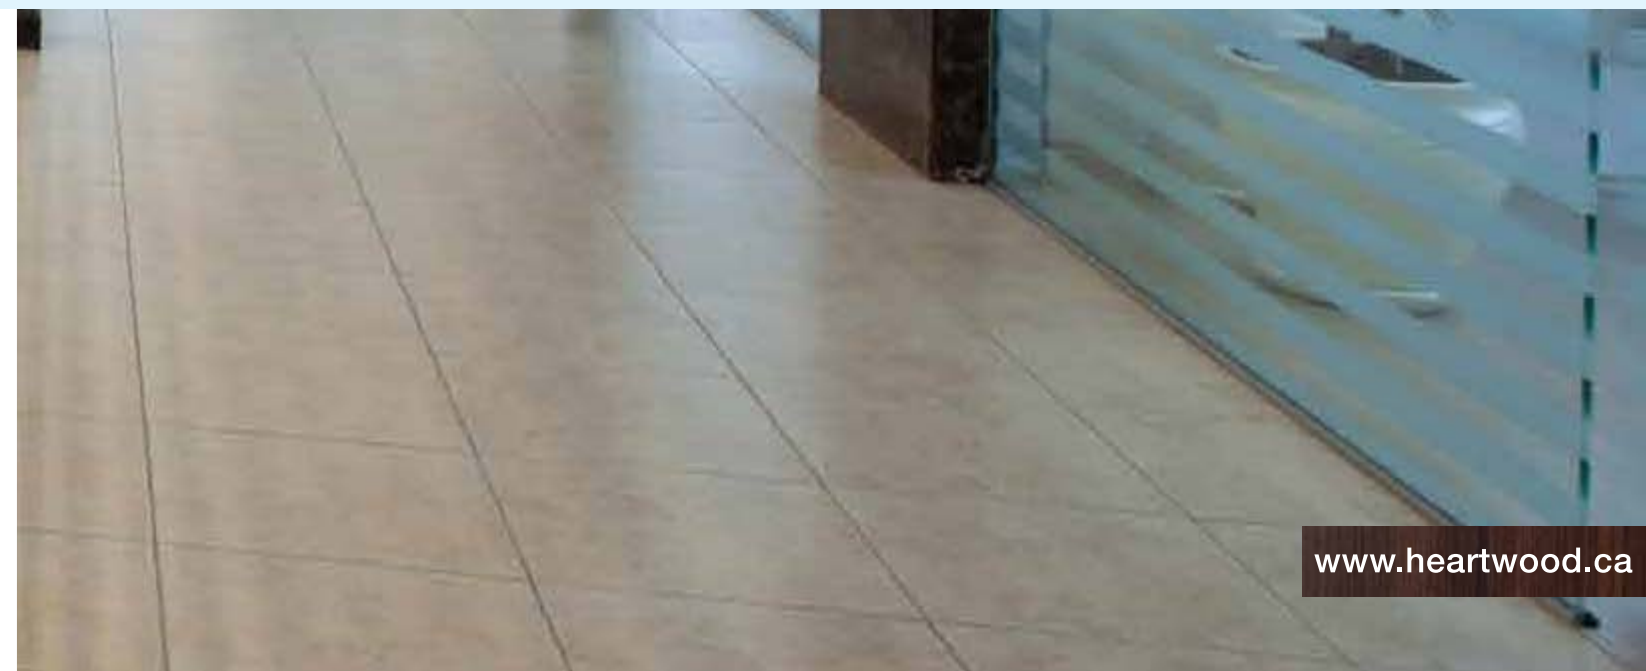

Bow Top Corner Module Desk, Credenza & Hutch

Additional Components:
Bridge with Flush, Full Height Modesty Panel
Lateral File/Cabinet Storage
Lateral Box/Box/File Combination Credenza
Hutch with Divider & Doors

600 Series
