Versatility is paramount in today's office and the 850 Series is compatible with our Outlines and NEW Outlines Plus desktop divider screen systems. Fully customizable, the two offerings work together and offer endless scope for creative space planning.

Stylish titanium metal components house cable management channels providing a clutter-free workspace. Stunning worksurface finishes such as Grey Dusk or Evening Zen, contrast beautifully to deliver rich looking design matched with the high-quality workmanship that you have come to expect from Heartwood.
