

HIGH PRESSURE

LAMINATE

Known for its high quality and long-lasting durability on both horizontal and vertical surfaces, High-Pressure Laminate (HPL) is the perfect partner for our popular Flex Series system of modular tables. Choose from Heartwoods' 20+ standard finishes or our newly expanded selection of high-pressure finishes when creating the ideal table configuration or work space.

WHY HIGH-PRESSURE?

- Abrasion and impact resistant
- Scratch-resistant
- Highly durable
- Easy to maintain
- Hygienic, easy clean surface
- In-stock & custom finishes available
(contact customer service for custom high-pressure finishes)
