## FINISHES:

Panel options include ribbed polycarbonate panels, plexiglass panels, tackboard panels or laminate panels. Polycarbonate, plexiglass and tackboard panels have rails top and bottom and both Outlines posts and panel rails are available in Black (BL) or Aluminum (AL) finish. Plexiglass is available in three different finishes: Clear (CL), Bronze (BR) or Frosted (FR). Laminate panels are finished with matching 2mm edge banding top and bottom but can be ordered with contrasting banding at no extra charge. A new writeable/wipeable white board laminate finish is now available.

## PANEL CONFIGURATIONS: OVERVIEW

Outlines posts and panels are available in 12", 18", 24" and 36" heights. 12", 18" and 24" posts can be used with the same size panel or all post lengths can be achieved by combining smaller panel heights as illustrated below. Finishes can also be mixed when combining panels to attain a desired design or style requirement. Custom size panels are also available, contact Customer Service for pricing.

## TRANSACTION TOPS:

Transaction tops may be ordered in all current Heartwood laminate finishes except Black (BL) and Graphite (GT) and are available in either 1" or 1½" thickness. Bullet ends, radius corners, contrasting 2mm edge banding colour and fluted edges on 1½" tops are all available design options. Contact Customer Service for pricing on any item not found in our current price book.

## ACCESSORIES:

Further optimize your workspace with hanging Outlines accessories. Hanging files, phone holders and paper trays provide more space on your worksurface area increasing organization and productivity.
